

**CHINA WIRELESS TECHNOLOGIES SIGNS DISTRIBUTION CONTRACT WITH
CHINA ELECTRONIC APPLIANCE CORPORATION
TO SUPPLY 20,000 “COOLPAD 858C” SMARTPHONES
FURTHER EXPANDS DISTRIBUTION NETWORK**

(Hong Kong, 10 July 2005) – China Wireless Technologies Limited (“China Wireless Technologies” or the “Group”) (stock code: 2369), China’s leading developer and marketer of wireless system solutions and wireless terminals, today announced that it has signed a distribution contract with China Electronic Appliance Corporation (“CEAC”), PRC’s key electronic information products distributors under China Electronics Corporation Group (CEC) to supply 20,000 “Coolpad 858C” single-mode smartphones.

Mr Guo Deying, Chairman of China Wireless Technologies, said, ‘We are delighted to work with CEAC. The collaboration will allow China Wireless Technologies to ride on CEAC’s massive distribution capability to complement with its distribution network, as well as to expand the distribution channel on our “Coolpad 858C” smartphones. As mobile video communication emerges as a dominant market trend, the sales of smartphones have surged dramatically in the PRC. We are confident that this favorable development and our quality smartphones and integrated solution business will see us generate attractive turnover and profits.’
